Currently adds 30 new callouts! With SuperCallouts I aim to add more unique callouts to LSPDFR with a uniform feel. I add both realistic and crazy new calls that will be played randomly. You are also able to disable and enable any features you choose. I recommend pairing this plugin with my other plugin Deadly Weapons to completely change how the game feels. Video of some of the things you may see! \*SWAT Related Callouts\* (Dangerous!) FIB Reports known armed mafia members spotted at the casino. FIB Reports known armed mafia members spotted in Sandy Shores. FIB Raid mafia drug smugglers found at the harbor. Police Reports mafia planted large bomb in Los Santos. FIB Raid, wanted gang members spotted involved in a police officer murder. Sheriff under attack by a biker gang. -Many more coming!- \*Realistic Callouts\* ANPR report, stolen super car spotted. ANPR report, vehicle belonging to a possible kidnapper spotted. 911 call of someone being held at gunpoint. 911 call of a car accident. 911 call of someone being attacked by an animal. 911 call of a truck tipped over. 911 call of a hit and run. 911 call of an alien sighting. 911 call of a suspicious car. 911 call of a vehicle fire. 911 call of a police impersonator. 911 call of someone walking around with a gun. 911 call of stolen cleaning supplies! 911 call of a car blocking traffic! 911 call of an illegally parked car! 911 call of a knife attack at the subway! 911 call of a drunk driver. Correction Department Backup, multiple prisoners escaping. Police Backup, prisoner escaping transport. Police Backup, officer under fire. Police Backup, manhunt for a fugitive. Police Backup, medical supplies theft. Police Backup, stolen police vehicle. EMS requests police escort. -Many more- Many of the callouts have multiple outcomes! I try to make sure they are not too repetitive! Any issues or ideas? Please leave bug reports and ideas here. It is faster for me to get back to you there! Videos of two of the current swat callouts! Features: Added Mafia3 Added Mafia4 Mafia3: FIB Reports a crime family attempting to smuggle drugs through the port. DEADLY Mafia4: Police Reports a crime family working with Davis gangs to set off a bomb downtown. DEADLY Massive code cleanup and refactoring. Some callouts will perform better, and AI respond better. Bugfixes: Fixed issues where some callouts would lag. Fixed issues with blips not going away in some calls. Fixed performance issues with Mafia1. Fixed possible situations that may crash the game. Fixed issues with my use of RageNativeUI. Config: Added MSC settings to change 911 to whatever your local number is for immersion. Added setting for mafia3 Added setting for mafia4 You should replace the old file with the newest one! Known Bugs: If player is far away when the bomb explodes in mafia4 they may live. I do not plan to force kill the player as some people enjoy playing with god mode, or just don't want to die. If you want to die more, install deadly weapons and you find that these new callouts destroy your soul and make you go bald.
